

BRING SAME-DAY FRESHNESS TO YOUR FOOD

Westchase District Farmers Market – located at 10503 Westheimer Road (at Rogerdale Road, one block west of Beltway 8) – features high quality, locally-grown seasonal fresh foods and provides a vibrant community gathering place for the Westchase community.

Since November 2003, more than two dozen vendors sell agricultural products, including pork, beef, eggs, produce, and cheeses.

The market also features value-added products such as locally-made jams and jellies, honey, specialty soaps, artisan breads and olive oils.

Work-friendly hours accommodate 8-to-5 employees, carpool parents and residents living nearby who want locally grown produce.
